INFORMATION, TERMS, ETC.

GENERAL TERMS—Cash with Order. We pay delivery charges on all orders of \$2.50 or more, to any point in the United States, unless otherwise stated in catalog. **ON ORDERS OF LESS THAN \$2.50, PLEASE INCLUDE 35c TO COVER COSTS OF POSTAGE, PACKING AND HANDLING.**

METHOD OF SHIPPING—All plants are carefully wrapped and packed. Shipment is made the best way. Most orders are sent by Parcel Post. Either **Special Handling** or **Special Delivery** may save a delay of one to several days. If either service is desired, please include remittance to cover and mark order thus. On orders of less than \$5.00, the charges are usually 25c for **Special Handling** and 45c for **Special Delivery**. Extra large orders are generally sent by Prepaid Express. If you are unable to receive orders by Express, please advise when placing your order.

WE DO NOT SUBSTITUTE WITHOUT PERMISSION. If we may substitute, please indicate on order and give second choice if possible.

GUARANTEE—We **Guarantee Satisfaction**—If your order reaches you in poor condition, please advise at once, and if possible, a replacement will be sent to you. If not, your money will be refunded. Should there be a mistake in your order, advise promptly, we will do our best to correct it. No claims will be given consideration if made more than 10 days after receipt of your package. **When requesting adjustments, please include your original Order Blank.**

ALL PLANTS LISTED IN THIS CATALOG ARE YOUNG POTTED PLANTS, IN A HEALTHY GROWING CONDITION, AND ARE SHIPPED TO YOU IN THE SOIL IN WHICH THEY WERE GROWN, UNLESS STATED OTHERWISE.

Because of the many conditions affecting plant growth, we will make no warranty, express or implied, as to the productiveness of plants, bulbs or seeds listed herein, and we will in no case be liable for more than the original purchase price.

We watch weather conditions and do not ship during periods of extreme weather.

ALL ORDERS PROMPTLY ACKNOWLEDGED if shipment cannot be made within the next few days.

AN INVITATION: You are most welcome at our greenhouses at all times. Hours during the Spring months are 7:30 a.m. to 6 p.m. every day except Sunday. The rest of the year, except during July and August, the hours are 8:00 a.m. to 5:00 p.m. every day except Sunday, although we will make Sunday appointments. We are closed Wednesday afternoons during July and August.

We are located on the east edge of Greencastle on the Indianapolis Road, or can be reached by taking Y Road off U. S. 40 just west of Stilesville. Phone 585-R.

PERENNIALS

ACQUILEGIA—COLUMBINE

PA-1 McKana's Giant—'55 All America Bronze Medal Winner. Sensational new strain of Columbine with extremely large graceful bloom and extra long spurs. Mixed colors.

30c each; 6 for \$1.65; 12 for \$3.00

Thermopsis Caroliniana

PT-1 CAROLINIAN LUPINE OF GARDEN LITERATURE

Tall yellow pea shaped flowers on lupine like spikes about 4 feet high. It is perfect for a spot of color in the perennial garden or border in June after the Iris are gone. Established clumps that are 4 to 5 years old will send up many spikes of flowers which are fine for arranging with blue flowers. A must-have background plant for the garden. We offer sturdy field grown roots which will bloom some this year and well next.

35c each; 3 for \$1.00

Balloon Flower

(PLATYCODON GRANDIFLORUM)

Buds resemble small blown up balloons, opening into star-shaped bells of fine quality and texture. These showy and delightful flowers with their clusters of bloom should be in all perennial borders. This plant, with lots of flowers from June to October, will stand more abuse than many and still put on a bright show. Grows to 2 feet and is fine for cutting. We offer 2 yr. old roots.

B-1 Dbl. Pink Hybrid; B-2 Single Shell Pink; B-3 Double White; B-4 Double Blue.

40c each; 3 for \$1.10

DELPHINIUMS

The tall, slender, graceful spikes of large well formed flowers make them ideal for tall borders, backgrounds, prize beds or cutting. They will grow 4 to 5 feet tall and will bloom the first year if proper care is given. Varieties listed below are **GIANT PACIFIC HYBRIDS**, outstanding and mildew resisting.

PD-1 BLACK KNIGHT—Deep midnight violet.

PD-2 SUMMER SKIES—Light blue with an attractively contrasting white bee.

PD-3 KING ARTHUR—Exceptionally large royal violet flowers with prominent white bee.

PD-4 BLUE BIRD—Clearest of medium blues with a dark bee.

PD-5 GALAHAD—Finest clear white Delphinium. Large double flowers on closely set spikes.

30c each; 6 for \$1.70; 12 for \$3.00

PD-7 ASTOLAT (Pink Delphinium)—The flowers vary in shade from pale blush through all the shades of lilac pink to deep raspberry rose, with large fawn black or brown bees for contrast.

35c each; 3 for \$1.00; 6 for \$1.85

SPECIAL OFFER—SP-1—Two each of the 6 Types of Delphiniums for \$3.00

PYRETHRUM

(PAINTED DAISY)

PP-1. Showy daisy-like flowers in shades of rose, pink, and red are produced in May and June. They are wonderful as cut flowers and the fern like foliage makes the plants attractive even when they are not in bloom. Grow them in rich soil in a fairly sunny location. We have 1-year old roots to offer.

30c each; 6 for \$1.65; 12 for \$3.00

Gypsophila

(BABY'S BREATH)

PG-1 BRISTOL FAIRY—Sensational double flowering Baby's Breath. Large white florets in airy panicles make it ideal for cutting. Blooms almost all summer from early June until frost. True grafted double flowering variety which will bloom heavily the first year.

60c each; 3 for \$1.50

PG-2 FLAMINGO—New pink double. Flowers all summer. Opens blush pink and deepens. These are field grown roots.

85c each; 3 for \$2.25

Bleeding Heart

(DICENTRA SPECTABILIS)

PB-1. True old fashioned variety with lovely pink sprays like your Grandmother knew. Blooms in May or June and does well in either semi-shade or sun. Large 3 to 5 eye clumps.

75c each; 3 for \$2.00

Shasta Daisy

PS-1 SENSATION—In June and July enormous white flowers of beautiful thick double fringes of petals ranging from 3½ to 4 inches across. Amazing new double strain; vigorous grower and fine for cutting. Field grown divisions.

75c each; 3 for \$2.00

HARDY PHLOX

Handsome trusses with large thickly clustered florets make Phlox the queen of the midsummer garden. Strong 1 year old roots which we send will bloom this summer and will have color for many weeks.

PX-1 ADONIS—Bright fuchsia-red; tall and very attractive. 50c each; 3 for \$1.25.

PX-2 ESQUIRE—Deep rose-pink flushed crimson at floret centers. Very beautiful new variety. Strong growing plant medium to tall. 50c each; 3 for \$1.25.

PX-3 MARY LOUISE—Pure white heads of unusually large size; individual florets large. 2½ feet. The best white to date. 50c each; 3 for \$1.25.

PX-4 ORANGE QUEEN—Fiery orange scarlet flowers flushed salmon having crimson centers. Early, profuse blooming and of medium height. 50c each; 3 for \$1.25.

PX-5 PURPLE HEART—Brilliant, live shade of deep blue-purple intensified by a darker center, given sparkle by the dainty cream colored anthers. 50c each; 3 for \$1.25.

PX-6 SIR JOHN FALSTAFF—Giant salmon-pink florets with reddish eyes. Exquisite beauty of strong constitution with immense trusses; mildew resisting. 60c each; 3 for \$1.50.

PX-7 REDBIRD—Deep bright crimson of medium height; extra fine and one of the best red phlox known today. 50c each; 3 for \$1.25.

SP-5—SPECIAL PHLOX GARDEN OFFER—THE EXQUISITE SEVEN

One each of the seven varieties. A \$3.60 value for \$3.25.

SP-6—SPECIAL OFFER—Three each (21 all told) for only \$9.00.

Tritoma

(RED HOT POKER)

PT-1. Large attractive spikes of red or orange red flowers from late summer until frost. They will grow two to three feet tall. Field grown roots.

35c each; 3 for \$1.00

HARDY GROUND COVER

ENGLISH IVY (Hedera Helix)—A splendid ground cover. Beautiful shiny leaves make wonderful ground cover in densest shade. 3 for \$1.00; 50 for \$15.00; 100 for \$25.00.

BALTIC IVY (Hedera helix Baltica)—A small leaved hardy Ivy which is excellent for a ground cover. Special extra hardy Indiana strain. Identical in habit with English Ivy but with smaller more graceful foliage. 35c each; 3 for \$1.00; 50 for \$15.00; 100 for \$25.00.

EUONYMUS ACUTA—A favorite ground covering plant. Makes a smooth, shiny, dark evergreen carpet; a fine prostrate, rapidly spreading vine. Does equally well in full sun, semi-shade or deep shade. Good for banks. 3 for \$1.00; 50 for \$15.00; 100 for \$25.00.

GLADIOLI

GL-1. For glorious color in your garden; also for an ample supply of cut flowers, plant Gladioli Bulbs. They are easy to grow and with a little care will last for years. We offer medium size bulbs, which will bloom well the first year. We cannot sell less than 12 of one color. We have WHITE, RED, PINK, YELLOW, BLUE, PURPLE, BICOLOR, SALMON and MIXED.

79c per dozen; \$1.50 for 25; \$5.00 for 100

LARGE FLOWERING CANNAS

CB-5 ROSEMOND COLE — Extra beautiful; extremely large, gold-edged light red flower; green foliage. 3'.

CB-4 CITY OF PORTLAND—Non fading deep pink; green foliage. 3'.

CB-3 THE PRESIDENT—Heavy blooming flaming scarlet flowers; rich green foliage. 3'.

CB-2 KING HUMBERT—Scarlet red blooms and handsome bronze foliage. 4'.

Coleus

FC-1. The beautiful colored leaves of this plant will enhance your garden or brighten any sunny window. Everyone loves the bright colors of the Coleus. For best results temperature should not fall below 60 degrees F. at any time.

20c each; 10 plants (no two alike) \$1.75; 50 plants for \$7.50

FERTILIFE

is nature's own fertilizer made pleasant to handle. There's nothing like it for producing large early blooming plants. Use Fertilife when preparing soil for planting, as well as for feeding and summer mulching. Fertilife conditions soil by restoring organic matter to make even dense, compact soils loose, airy, granular; binds loose sandy soils. It is scientifically composted from cattle manure at the Chicago Stock Yards. It is free of offensive odor, dust free, weed free and will not burn.

FERTILIFE PUTS NEW LIFE INTO SOILS, NEW BEAUTY
In Lawns, Flowers, Trees, Shrubs and Vegetables

50 lb. bag—\$2.95 f.o.b. Greencastle or 2 bags for \$5.50
Shipped by Freight Unless Express Shipment Requested

IVIES

(SEE FALL '55 FOLDER FOR ADDITIONAL IVIES AND HOUSE PLANTS)

Ghost Tree Ivy

IV-14 BIG LEAF VARIEGATED IVY—The large leaves of this Ivy are very attractive with a light green center surrounded by a wide band of cream. **50c each.**

IV-17 CURLILOCKS — Self branching with leaves which are crested, waved, or crimped. Young growing tips are tinged red. Grow in full sun. **40c each.**

IV-13 CURLY LEAF IVY—Very free growing with large attractive curly green leaves. **40c each.**

IV-30 ERECTA IVY—An upright, slow growing Ivy with closely set stiff triangular dark green leaves arranged in two opposite rows up the stem. Reminds one of a Chinese pagoda. **50c each.**

IV-22 GERANIUM IVY (Big Deal)—Large rounded dark green leaves with edges puckered as if gathered on a thread remind one of a geranium leaf. Different. **50c each.**

IV-32 GHOST TREE IVY—A NEW unusual bush or tree Ivy of real character with large leathery and glossy, highly variegated green and cream leaves. Interesting blooms. Very out of the ordinary. Large plants from 3 and 4 inch pots. **\$2.00 each.**

IV-2 GLACIER IVY—Very colorful vine for the house. Dainty small leaves which are light green in center with wide white bands around margins. **40c each.**

IV-5 GOLD DUST—Leaves are deep green speckled with yellow giving the appearance of having been sprinkled with gold dust. **40c each; 3 for \$1.10.**

IV-25 GREEN CROWN—New! An extremely free branching Ivy with luxurious close growing leaves. A pot crowned with this miniature leaved Ivy is indeed attractive. Our own introduction. **50c each.**

IV-3 HAHN'S IVY—A very useful, slow growing plant with glossy green leaves. It grows well in the shade, making it especially adapted for a house plant. **35c each.**

IV-33 IVALACE IVY—New! Medium sized bright green leaves are five-lobed and the margins are finely crimped, making the edging look like fine lace. **50c each.**

IV-10 JUBILEE IVY—A dwarf self-branching plant with closely set, tiny light green leaves with white bands on margins. **45c each.**

IV-8 PARSLEY IVY—Lovely parsley green leaves with edges crimped like parsley. **45c each.**

IV-23 SHAMROCK IVY—New! Three joined lobes make each leaf. Gives trefoil effect to this lovely Ivy. **45c each.**

IV-12 SNOWFLAKE—Leaves of the Hahn shape except smaller. Leaves splashed with white, giving the appearance of being covered with snow. Our popular introduction. **50c each.**

IV-16 SWEETHEART IVY—Interesting deep green truly heart shaped leaves. Very rugged easy grower. **40c each.**

IV-26 TEAR DROP IVY—New! Different! An upright self branching Ivy with pretty green oval leaves. A crinkled or raised appearance between veins is evident. The leaves are in the shape of a tear drop. Our own introduction. **50c each.**

IV-11 TELECURL IVY—Small deep green tight curly leaves on a very free branching plant. **40c each.**

IV-20 TRITON IVY—New! Each leaf has 3 narrow pronged lobes with center prong twice as long as outer ones. It is upright and self branching with open, airy, needle pointed leaves. **50c each.**

WILLIAMSANA — Delightfully curled and frilled medium sized leaves which curl downward. Margins are white and the centers an attractive green and gray-green. A thrifty growing variegated Ivy. **50c each.**

Green Crown Ivy

SP-3—SPECIAL OFFER—CREAM OF THE CROP IVY COLLECTION

One Each of the 20 Listed Ivies. A \$10.00 Value for \$9.00.
